

RESOLUTION NO. 147-2015

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF PLANT CITY, FLORIDA, ACCEPTING THE BID OF KILLEBREW, INC. FOR CONSTRUCTION OF COUNTY LINE ROAD EXTENSION PROJECT.

Whereas, advertisement for bids for construction of County Line Road Extension Project has been heretofore given in compliance with Chapter 2, Division 2, Subdivision II, Plant City Code; and

Whereas, all bids having been received and duly verified, it appears that the low bidder Bun Construction Company, Inc. failed to comply with the bid specifications by failing to provide project experience that demonstrates they have successfully completed a utility project within the past five years that consisted of a minimum of 20,000 lineal feet of 12-inch water main, including 5,000 lineal feet of the horizontal directional drill installation of piping with a minimum diameter of 12-inches or larger;

Whereas, because Bun Construction Company, Inc. failed to provide the appropriate construction experience for this project, the City Commission finds that it is not the lowest responsive and responsible bidder; and

Whereas, the second lowest bidder, Killebrew, Inc. has complied with the bid requirements and the lowest responsive and responsible bidder is Killebrew, Inc. in the amount of \$1,192,623.00; now, therefore,

BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF PLANT CITY, FLORIDA:

Section 1. The contract for construction of County Line Road Extension Project is hereby awarded to Killebrew, Inc..

Section 2. This resolution shall be effective immediately upon passage.

Adopted by the City Commission on August 24, 2015.
